

REACH and RoHs CONFIRMATION

We confirm that all the supplied printed circuit boards, which they refer to us, comply with REACH Regulation 1907/2006 and REACH Annex XVII and have no alarming substances corresponding to ECHA "SVHC candidate list-253 materials" included (at levels >0.1% w/w).

Our PCB boards are made in accordance with RoHs Directive 2011/56/EU and 2015/863/EU.

For the PCB boards, which costumers order by us in HASL (solder with Pb), we cannot confirm RoHs compliance.
